DEVELOPMENTS IN INDOCHINA

(Information as of 1500)

NORTH VIETNAM

Le Duc Tho, Hanoi's politburo-level "adviser" to its Paris delegation, may be rejoining the delegation soon. The North Vietnamese have consolidated two commands near the Demilitarized Zone.

REGIONAL DEVELOPMENTS

A North Vietnamese MIG-21 attempted to shoot down a US B-52 over Laos on Saturday.

LAOS

The pace of military action is increasing as both sides prepare for the Communists' dry season push. The Chinese apparently are beginning work on a bridge to connect Route 45 with Route 19.

CAMBODIA

The government has made little progress in the Phnom Penh area.

SOUTH VIETNAM

Veteran and student militants are pulling in their horns.
